

SECRET DOCTRINE CLASS HELD AT 19 AVENUE ROAD IN THE AUTUMN OF 1890

Two of the sources *BELOW* show that Madame Blavatsky attended *at least* three of these meetings on ***THE SECRET DOCTRINE***.

**Sept. 18, 1890 Entry in the Minutes of the Blavatsky Lodge,
London:**

A class for study of Secret Doctrine "held
its first meeting on this date.

Claude Falls Wright writes in October 1890:

"Our Blavatsky Lodge Meetings are held in the Lecture Hall on Thursdays....Before our meetings we hold a class for the study of the Secret Doctrine, which lasts for about an hour and a half...."

Quoted from *The Path*, Dec. 1890, p. 295

Alice Cleather writes in October 1890:

"The class held weekly — before the meetings of the Blavatsky Lodge on Thursdays — for the study of the "Secret Doctrine," is very well attended; and...our revered teacher [Mme. Blavatsky] is present occasionally to help puzzled students towards the solving of knotty points"

Quoted from The *Theosophist*, Dec. 1890, p. 190.

Isabel Cooper-Oakley writes:

"At Secret Doctrine Class, December 4, 1890.

H.P.B. said: 'The best of us in the future will be Manasa-putras, the lowest will be Pitris. We are seven intellectual Hierarchies, here; this Earth becomes the Moon of the next Earth.'

Monads do not 'come in' more than the sun goes down, i.e. it is illusion.

In answer to the following question: Does the Mayavi Rupa have its laya centre in the heart?

H.P.B [said].: The Mayavi Rupa is composed of the Astral Body, as Upadhi; the guiding intelligence from the heart, the attributes and qualities from the desire envelope."

Quoted from *The Theosophist*, June 1931, p. 303.

Did any other students take notes of what HPB said at this and other meetings in the Fall of 1890? If so, where are these notes in 2025?
