[This manuscript in H.P. Blavatsky's handwriting was in the possession of John M. Watkins, the renowned Publisher and Bookseller, who was a close friend of hers. **It is marked XV (a) and covers a little over twelve numbered pages. It may have been**

intended for *The Secret Doctrine* and later set aside. A few words or brief sentences have remained illegible. It has been transcribed from a microfilm of the original MS. now in the hands of Geoffrey Watkins. — *Boris de Zirkoff.*] Bold added.

This Nebo material **was** intended for *The Secret Doctrine*. See [Circular on *The Secret Doctrine*](#) published in *The Path*, July 1888, p. 136 (middle of page.)
